Workshop on Walkability and Intersection Assessment

- Date:** Saturday, September 16
Time: 9—11:30 AM
Place: Cambridge City Hall Annex, 344 Broadway
Transit: Red Line to Central Square, walk up Prospect Street to Broadway, turn left on Broadway, one block down on left.
Cost: **Free to all.**
RSVP: To WalkBoston by September 1, space is limited.

WalkBoston's Advocacy Committee will highlight techniques for evaluating your community's pedestrian environment. We will review sidewalk widths and conditions, crosswalks, curb ramps, landscaping, street furniture, lighting and signal timing. We will utilize in-class instruction and a field visit to nearby streets and intersections to show participants what to look for, and provide information on who to call for municipal improvements and help in advocating effectively.
